But Cures that  
Stand the Test of Time.

FOR YEARS I SUFFERED GREATLY WITH CATARRH OF THE NOSE AND THROAT. I was all the time hawking and spitting. I CAUGHT COLD SO OFTEN AND SO EASY that I was alarmed at my condition for fear it might lead to consumption. Often when I caught cold it made me so sick I had to knock off from work for several days. HAVING KNOWN DR. FIFEY FOR 9 OR 10 YEARS and having great confidence in him, I placed myself under his treatment and WAS CURED. DURING THE 15 MONTHS OR LONGER THAT HAVE ELAPSED SINCE HE TREATED ME THERE HAS BEEN NO RETURN OF ANY OF THE CATARRHAL SYMPTOMS AT ALL. Last winter is in fact the only winter I can remember during which I had no colds or other symptoms of catarrh.

### An Alumni Association Organized in Norfolk Yesterday.

An Address by Professor Nichols, of the Faculty—The Proposed Monument to the Cadets Who Fell at New Market.

Friends and graduates of the Virginia Military Institute assembled in the Y. M. C. A. Hall yesterday afternoon to hear an address by Prof. Nichols, of the faculty, and organize a permanent Alumni Association. Hon. W. B. Martin, Judge of the Court of Law and Chancery, presided and gracefully introduced the speaker of the afternoon.

Prof. Nichols has visited several cities of the State and delivered addresses, explanatory of what has been accomplished and what yet remains to be done in the work of erecting a monument to the memory of the members of the corps of cadets who fell in the battle of New Market May 15, 1861. Sir Moses Ezekiel, an alumnus of the institute, now one of the most celebrated sculptors of the world, has generously donated a bronze figure, designed by him and christened "Virginia Mourning Her Dead," if a sufficient amount of money to pay the expense of casting, transportation, etc., was raised. Of the \$4,000 needed only \$2,000 has been secured, and Prof. Nichols is devoting his energies to interesting ex-pupils of the institute to the extent of raising the amount now needed.

The professor said yesterday that ordinarily it would cost \$15,000 to erect the proposed monument, but that the generosity of Sir Moses Ezekiel, a Virginia cadet, made it possible to do so for one-third of that sum. It is proposed to unveil the figure May 15, 1901. Captain H. A. Wise, of Baltimore, who took command of the cadets after Lieutenant Colonel (now superintendent) Shipp fell wounded in the memorable battle of New Market, would deliver the oration. It was decided to make the occasion a grand reunion of all the surviving ex-students of the institute. Prof. Nichols said:

**ALUMNI ASSOCIATION ORGANIZED.**  
At the conclusion of Prof. Nichols' excellent address a permanent Alumni Association was organized, with the following officers:  
President—Hon. W. B. Martin.  
Vice-President—L. Royster.  
Secretary—Treasurer—E. P. Hubbard.  
Directors—Colonel John R. Waddy, Captain T. J. Nottingham, H. C. Whitehead, T. W. Shelton.  
About thirty members were enrolled yesterday. It is expected to increase this number to at least fifty.  
All Master Masons in good standing are fraternally invited to attend.  
By order W. M.  
GEO. B. JENKINS, Secretary.

## WEDDING DIGNITY

### STERN LAW PLAYED HAVOC WITH CUPID'S PLANS.

A wedding which was planned to occur in Norfolk Tuesday night did not take place. It was no fault of the prospective bride or groom that Cupid did not have the pleasure of seeing the bands wedded. There are certain stern laws which demand obedience even though the dictates of Don Cupid must be set aside.

Tuesday afternoon a gentleman applied to Clerk Royster for a marriage license for himself and a Norfolk lady. The gentleman in question was some months since divorced in another city. Mr. Royster, knowing this asked him if he had a copy of the decree of divorce. He did not, but asserted that there was nothing in the decree to prohibit him from marrying again. But Mr. Royster is extremely cautious in these matters. He has many times witnessed the almost tearful pleas of blushing young girls who wanted to become brides without their parents' or guardian's consent. He told the gentleman that either a copy of the decree of divorce or a certificate from the clerk of the court which granted it would have to be produced before the license would be issued. It was impossible to get either executed by telegraph. An attorney was consulted and the prospective groom was advised to use the wiles. But even the swift telegraph could not bring him an answer before the clerk's office closed, and as the marriage was to occur that night he asked Mr. Royster, and Clerk Coleman, of the Court of Law and Chancery, to each take a blank to their homes with the understanding that one of them would issue the license sometime during the night upon presentation of the certificate. Mr. Coleman is so accommodating in these matters that he said he would get up any time, at 2 o'clock in the morning, to help on a wedding. But he wasn't disturbed. The certificate has not reached here yet, or at least the license has not been issued.

**TOSSED BY THE STORM.**  
**DISASTERS REPORTED ALONG THE WATER FRONT.**  
The four-masted schooner, Bayard Barnes, Captain McHaffey, from Brunswick, Ga., with railroad ties, went aground on Thimble Shoal Tuesday night, bow on, and yesterday the Captain was in Norfolk to make arrangements for her rescue. She will probably have to be hauled to free her, and she is reported as leaking somewhat, so that other work will perhaps be necessary before she can be pulled off and towed in for inspection and repairs. The wind was blowing a gale when she went on and it was very dark and thick weather. She is not thought to be otherwise injured than a few sprung seams in the bow, due to her running aground with some force.

A Government-converted yacht is reported aground on Hampton bar. One of the harbor tugs reported her, but was unable to state what vessel it was. She is reported as leaking somewhat, and it is expected that she can easily be pulled off at high tide, though it was an exceptional high tide when she landed there Tuesday night.

The Merchants and Miners' Transportation steamer, *Beaumont*, in yesterday from Boston, brought the James K. Kidder—Hansford Company to this port. She had a very rough passage, and during the gale her cargo shifted, keeling her to starboard heavily, three strikes below water line being reached. One of her passengers on the down trip reported that she was very handsomely handled, so far as her conduct and the weather was something fearful and such as he will not care to encounter again, everything that could be done by officers and crew for the comfort of the wretchedly sick passengers was done, and much of the terror and disgust of the occasion ameliorated. The *Berkshire* is a staunch sea-going steamer, and this line's crews are noted for their pluck and seamanship. None of the cargo was injured so far as report went.

Yesterday the tug E. Luckenbach arrived in port with one bit gone, her stern damaged and steering gear somewhat injured, by rough handling in the heavy seas in the late storm.

Arrangements are being made to pull the schooner Kate Darlington off Ocean View beach. Owing to her being light and of moderate tonnage it is thought this can easily be done.

At Cape Fear the Portuguese bark *Johanna* is reported lost and dry, ashore. No loss of crew is reported, nor serious damage to the vessel.

The steamer *Comet*, plying between Norfolk and North Carolina, is reported ashore at Whale's Head, N. C., on the Sound. Particulars meagre.

The Light-house service was yesterday interrupted at the Cape Charles Lightship off the entrance to Chesapeake Bay, parted her moorings in the gale yesterday, and is adrift. She will be replaced as soon as possible.

**Ingenuities Mechanical Device.**  
A window display that is attracting much attention is being shown at the tobacco and cigar store of I. Moritz & Co., No. 354 Main street. This is a large revolving disc four feet in diameter, with a smaller revolving disc at each side. The surfaces of the discs are covered with a display of about forty different styles of packages of chewing and smoking tobaccos, tastefully arranged into a very harmonious whole. The discs are kept in revolution by an ingenious electrical arrangement. The whole device calls attention in a pleasing manner to the high-class goods displayed.

The work reflects great credit on Mr. Marcellus Hoffman, the popular salesman and window dresser of I. Moritz & Co., store, to whom is due all the credit for the conception and execution of the device.

**William Norman White Dead.**  
The funeral services of the late William Norman White, who died at his home, near Mechanics Point, Princess Anne county, Monday, were held from 10 o'clock to 12 o'clock, Sunday, at 2 p. m. in the Methodist church, with a large congregation of sorrowing friends and relatives. The pall-bearers were his sons, who were buried with their father's remains by Princess Anne, Nov. 25. The beautiful services of the order were conducted at the grave by Past Master John T. Woodhouse, and Rev. John W. Nicholson, chaplain, delivered the prayer.

### Commonwealth's Attorney Duncan Explains to Coke-Ridgeway Jury

Convicted of Unlawful Cutting—Trips to Street Awaits—Qualifications—Transfers—Marriage Licenses—Fake Doctor Arrested.

Commonwealth's Attorney Duncan apologized to the Coke-Ridgeway jury yesterday morning, and the incident caused by the letter of that body to Mr. Duncan, asking an apology for words he had used in his argument Monday, was closed. As stated exclusively in yesterday's *Virginian-Pilot*, the jurors took exceptions to Mr. Duncan referring to them as prejudiced jurors, etc., but Mr. Duncan assured them yesterday morning that he meant no reflection by these remarks. He said that when he used the word "prejudiced" he meant that any jury in a case like the one on trial would be prejudiced in favor of the defendant to some extent, just as the whole community sympathizes with the defendant in such cases. Mr. Duncan said the jurors had misunderstood his meaning.

**THE CORPORATION COURT.**  
John Cross, colored, was tried in the Corporation Court yesterday on the charge of unlawfully cutting Aaron Marx in the City Market last January. After being out a short while the jury returned a verdict of guilty, and sentenced Cross to serve six months in jail and to pay a fine of \$10.

Commonwealth's Attorney Duncan was assisted in the prosecution by A. P. Thomas, Jr., who was represented by John G. Tilton and G. L. Paige, the latter colored.

The evidence was to the effect that Cross went into the stall of Marx at the City Market and began to molest him, and a fight ensued. Marx was acting as the defendant's attorney. Cross cut him with a pocket knife. It will be recalled that Marx was in St. Vincent's Hospital for about six weeks recovering from the injuries inflicted by Cross. He was also confined to his home for a month.

**RECEIVING THEIR MONEY.**  
Judge Hancok yesterday received the reports of the special commissioners in the Tripoli and Wolf streets condemnation proceedings to show to whom the condemned property belonged. The rightful owners are coming in every day or so now to receive their money.

**TRIPOLI STREET AGAIN.**  
The exceptions of Judge T. S. Garnett to the Tripoli Street Condemnation Commissioners' report will be heard by Judge Hancok in the Corporation Court to-day. A number of these exceptions have already been disposed of, and several others are yet to be heard. In all cases the complainants want new commissioners appointed to appraise their property. They claim that the old appraisement is too low. Judge Garnett will appear as attorney for himself, and City Attorney Taylor will represent the city.

**CLAIM FOR RENT.**  
The case of H. L. Page, agent for Mr. Turney, vs. B. D. Fine, involving only \$16, occupied nearly all of yesterday afternoon in the Corporation Court, and last evening, when the jury returned a verdict for the defendant, counsel for the plaintiff entered a motion for a new trial. The suit was for house rent.

**QUALIFICATIONS.**  
Charles Borum, Jr., qualified before Judge Hancok as administrator of the estate of the late Charles Borum, Sr., under a bond of \$2,000, with Cordelia Borum as surety. The appraisers are E. E. Nottingham and T. E. Rogers. J. C. Ferber qualified as a notary public.

**PROPERTY TRANSFERS.**  
Deeds were recorded making the following transfers of property:  
Norfolk Company to E. Patterson, two lots of land at the intersection of the southerly line of Rodgate avenue with the westerly line of a street laid out west of St. Cley Gardens; \$2,570.  
John J. Burroughs and Edward Spaulding, special commissioners, to J. S. Crawford, a 30-foot lot on Chapel lane; \$790.

**MARRIAGE LICENSES.**  
These couples were granted marriage licenses yesterday:  
William Derriek and Lula Harris.  
John Henry Davis and Maggie Wilson.

**POLICE COURT CASES.**  
Theo. C. Johnson, a fake street doctor, was in the Police Court yesterday morning to pay up a bond bill which he had given to Franklin a few days ago. "Doctor" Johnson was arrested Tuesday by the police and was to have been carried to Franklin, but a girl friend who lives on Washington street put up the cash to pay for his accommodation in a Franklin hostelry. The police order for "Doctor" out of town some time ago, but he likes Norfolk.

T. D. White and R. P. Butler, motor man and conductor, respectively, of the street railway company, were arraigned for running a car against Arthur Butcher, a young negro boy. The boy was slightly injured on the head. The cases were continued until Saturday and the defendants' employes bailed.

Alberta Wright, Willie Shanley and Laura Lee, all colored, were fined \$3 each for fighting.  
George Parsons was assessed a like sum for assaulting William Coleman. Both are colored.  
Dillie Douglas, colored, was fined \$3 for attempting to assault Annie Sonny.

Martha Watson, alias "Wild Horse," robbed a citizen of Berkeley of \$14.50 Monday night in Southall's lane, and yesterday morning this noted character in police circles was hauled up to the bar of Justice Trenchard and sentenced to three months in jail.

**Words of Famous Mission Worker.**  
Mr. John P. Farley, a well-known Atlanta man, suffered from dyspepsia, heart trouble, etc., and was cured by Dr. J. C. Ferber. Having used Ferber's Dyspepsia Remedy for years in my family I gladly recommend it to all who are afflicted with this disease. Without exception it is the best remedy on the market, and nothing would induce me to be without it. J. P.
